# TINKER. HACK. INVENT. MAKE.

Immerse yourself in **MAKER** culture and discover something you'd love to make.

2012 Maker Faire Detroit is an amazing showcase featuring 400+ makers, robotics, electronics, rockets, DIY science & technology, bicycles, woodworking, arts & crafts, live music, kids activities and more! Every year there are first-time makers as well as favorites returning with something new. Practical. Whimsical. Experimental. Original. Maker Faire Detroit is a weekend filled with an incredible variety of exhibits, talks, demonstrations and performances, most of them hands-on and all of them engaging, bridging arts and crafts and science and engineering. Maker Faire is a reflection of our community at its very best.
